

ITEM FACT SHEET

WISCONSIN CHEDDAR SOUP – RETAIL

Made with a blend of cheddar and American cheeses. We measure in finely-diced celery, diced sweet, white onions, diced green bell peppers and real bacon bits for a “just right” hint of smoky flavoring.

CONTAINS: MILK, WHEAT, SOY

HANDLING SUGGESTIONS	PREP & COOKING SUGGESTIONS	BENEFITS
All products should be kept frozen. Products may be thawed in the refrigerator to speed preparation time. Never thaw products at room temperature. Reheating cooked product or adding reheated product to fresh product is not recommended.	Place unopened bag of product in a large pot of boiling water. Lower heat and simmer until product reaches internal temperature of 165°F, approximately 30-40 minutes from frozen or 15-25 minutes from thawed state. Internal temperature can be checked by removing bag from water and folding it, unopened, around a stemmed thermometer. Transfer to a serving container and hold at 150°F –160°F until served.	Convenient family size boil in bag package. Ready to use, simply heat and serve. Consistent every time.
